

Andrea Kadović

Personal information

Sex: female Day of birth: 25.9.1988. Nationality: Croatian

Work experience

2015. - **Expert associate / PhD student**,
Ruder Bošković Institute, Division of Theoretical Physics, Solid State Physics Group, Zagreb, Croatia.

Education

2015. - **Postgraduate Doctoral Study of Condensed Matter Physics**,
University of Zagreb, Faculty of Science, Department of Physics, Zagreb.
title of proposed topic: "Robustness of complex networks with color properties",
mentor: dr. sc. Vinko Zlatić
2014. **Master of Physics**,
University of Zagreb, Faculty of Science, Department of Physics, Zagreb.
thesis: "Electrical Transport and Thermoelectric Effect in Dense System of Localized Charge Carriers", mentor: dr. sc. Eduard Tutiš
2003. – 2007. **Secondary school** ,
First Gymnasium, Zagreb.
Music School Zlatko Baloković, Zagreb, musician piano player.

Conferences and schools

- July 2015. The Beg Rohu Summer School of Statistical Physics, Biology, Inference and Networks, participant
- August 2014. Principles of Programing, *Rice University*, Coursera online course (Statement of Accomplishment)
- October 8. Scientific meeting of Croatian Physical Society,
2013. poster: *Transport in Dense Systems of Almost Localized Electrons near Charge and Spin Ordering*
- September Prep school and workshop *New Thermoelectric Materials*, Split, Croatia,
2013. poster: *Transport in Dense Systems of Almost Localized Electrons near Charge and Spin Ordering*
- April 2013. An Introduction to Interactive Programming in Python, *Rice University*, Coursera online course (Statement of Accomplishment with Distinction)
- October 7. Scientific meeting of Croatian Physical Society,
2011. participant
